

Dear Parents/Guardians,

On Wednesday, July 27th, Trek & Travel Camp will be visiting “Feed My Starving Children” in Aurora, Illinois. “Feed My Starving Children” is non-profit organization that is committed to feeding hungry children. Their procedures are described as, “children and adults hand-pack meals specifically formulated for malnourished children, and we ship the meals to nearly 70 countries around the world.”

While “Feed My Starving Children” is a faith based organization, campers and staff will not be taking part in any religious activities, ceremonies, or conversations. The purpose of this trip is solely based on community service and outreach. We feel that it is important for the children to understand there are others out there in need. Our goal is that campers walk away from this experience knowing how many children they have helped and the impact they have made.

Please sign below indicating your permission for your child to participate in this community service field trip.

Thank you and have an enjoyable day!

Sincerely,

Katie Blair
