

welcome & facility overview

Last summer was an exciting season for Cypress Cove Family Aquatic Park. Two new areas were added to the facility, as well as many other improvements to enhance the award-winning water park. Bullfrog Bayou, a 5,260 square-foot spray playground, was a hotspot for toddlers and older children and swimmers of all ages took advantage of Alligator Alley, a six-lane 25-yard competition pool used for swim lessons, swim team competitions, lap and open swim. Other improvements included a satellite concession stand, interactive frog waterspray feature, new restroom building, additional lounge chairs, shade funbrellas and extensive landscaping.
