

## KIDZ Squad Before/After School

KIDZ Squad is designed to provide a safe and structured program for children in grades K-6. Participants can take part in a variety of games, arts and crafts projects, have quiet time to do homework and enjoy active play time both indoors and out.

KIDZ Squad After School will be held after school until 6:00 p.m. at two locations: Goodrich School for children who attend Goodrich, Willow Creek and Meadowview Schools and Murphy School for children attending Murphy, Edgewood and Siple Schools. Children will be transported by school buses.

A nutritious snack will be provided each day.
