Appendix: Open-Ended Comments

WOODRIDGE PARK DISTRICT RESIDENT SURVEY

The following pages show written comments by respondents to the survey for two (2) question, summarized below:

How could your neighborhood/school park be improved?

There were over 150 comments to this question. The major themes centered on:

1. More and updated swings
2. More and updated playground equipment
3. Additional trails
4. Additional trail lighted
5. More shade areas

How could your neighborhood/school park be improved?

Please share any suggestions/ideas regarding any existing or new programs, parks, paths and facilities of the Woodridge Park District.

There were approximately 250 comments. The major themes centered on:

6. Need for indoor pool
7. Love ARC
8. Pricing at ARC is expensive
9. Cypress Cove
10. Need more programs

How could your neighborhood/school park be improved?

Park	Kids	Suggestions for Improvement
63rd St Park	Yes	It could use more shady seating.
63RD STREET	Yes	No improvements - it's wonderful!
63RD STREET	Yes	Update mulch/very low below safety guidelines
63rd street	No	add pickle ball lines to tennis courts
63RD STREET	No	Better protection for children
63RD STREET	No	More trees for shade along the walking path and more benches
63RD STREET	No	No complaints. Keep up the good work.
63RD STREET	No	Thanks for redoing bike and foot paths
63rd Street Park	Yes	Another standard swing, the mid sized kids (5-6ish) like to swing together; aside from that it's good for our needs.
63rd Street Park	Yes	It is great right now. I use the running trails. Just keep it clean (debris and graffiti-free)
63rd street park/summer hill park/castaldo park/lake harriet park	Yes	I'm very satisfied with how many parks there are so close to my house and how well kept they are.
75TH & WOODRIDGE DRIVE	Yes	More swings
75th and woodridge drive	Yes	More swings
75TH STREET	Yes	Add splash pad
83RD-SIPLEY	Yes	Dog park there would be very handy. School staff have kicked me and my grandkids out on school days.
ARC	Yes	Indoor pool
ARC	No	A therapy pool and spa
ARC		Pool, sauna, swim programs
CASTALDO	Yes	Eliminate dead trees - dangerous
CASTALDO	Yes	Improve drainage. Often too swampy to play in grassy areas.
CASTALDO	Yes	It would be nice if staff inspected after pavilion rentals. Generally when I take my child there to play I spend half my time picking up garbage.
CASTALDO	Yes	Perhaps a couple horseshoe pits
CASTALDO	Yes	The only complaint is how hot the swings/slides are on a summer day
CASTALDO	Yes	Very beautiful park! Very well kept! Maybe you could leave a porta-potty year round or build a bathroom facility.
CASTALDO	No	A little more lighting would be nice
CASTALDO	No	Get rid of the disc golf - hazard to park users - disc golf users litter, vulgar, urinate by trees. Park District has neglected this park, as it was what a park should be - part of nature. People walking through the park are hit or almost hit by discs.

Park	Kids	Suggestions for Improvement
CASTALDO	No	Get rid of the geese
Castaldo	No	It's a nice park, enjoyable
CASTALDO	No	Lighting along path
CASTALDO	No	More tree plantings for future generations
Castaldo Park	Yes	Keep up the great work!
COMMUNITY CENTER	Yes	Large slide has gap in middle that kids would probably die from if they fall
community center	No	Continued maintenance of the equipment and grounds.
COMMUNITY CENTER	No	Would like to see more monthly events/parties - e.g., Chinese New Year, Super Bowl etc. - themed parties. I would also like to see monthly group meetings for a small fee (like \$10) for hobbies such as knitting, scrapbooking, book clubs, etc.
community center park	Yes	possibly adding a little more to it or expanding it. equipment, benches, and landscaping are great, but it feels a little small.
CORNER WESTMINSTER-CHARING CR	Yes	Foam ground rather than wood chips
Costeldo Park	No	Several of the larger trees near the parking area are in need of trimming
CRABTREE CREEK	No	Cleaned up and mowed
CRABTREE CREEK	No	Emergency vehicular access is required; cut the grass; stop neighbors from dumping leaves and branches, and clean what has accumulated. Install no dumping signs behind the abuser properties.
ECHO PARK	Yes	New equipment - handicap accessible
ECHO PARK	Yes	Overall, nice park. Sand pit might need some cleaning.
ECHO PARK	No	Patrol more often when teens are in the park. We've had to leave with our grandchildren when teens were taking over playground equipment and using foul language.
ECHO POINT	Yes	The park itself is very nice but because of some of the people there sometimes we won't let our kids (10-12) go without an adult
ECHO POINT		A tennis court
Echo point park	No	Perhaps a separate dog area. Benches or seating areas.
EchoPoint Park stop allowing all the large alcohol parties that trash the park	No	Communicate with police better regarding if any alcohol party permits have been granted as all summer long various groups are hosting big beer parties in the park and leave trash piled up around cans that gets spread out by animals and makes messes, I believe only small a number actually have permits for alcohol so we're missing out on fee money and it cost more on garbage disposal and cleanup.
EDGEWOOD	Yes	Better baseball park
EDGEWOOD	Yes	I'm not sure the playground we have here is your responsibility, but if you can help to improve it I'll be very thankful
Edgewood	No	Garbage cans more wood chips
EDGEWOOD	No	Lay more mulch
EDGEWOOD	No	More equipment for preschool children such as at the 75th St. park
EDGEWOOD		The ones we use are in good condition
FALCON RIDGE	Yes	Swingset and seesaw installed

Woodridge Park District Resident Survey

Park	Kids	Suggestions for Improvement
FALCON RIDGE PARK	Yes	The park needs more lighting. Overall nice improvements have been made.
FALCONRIDGE	No	Needs more equipment for the children
FARMINGDALE VILLAGE	Yes	More toddler/baby swings
FARMINGDALE VILLAGE	No	Wish our park had a few more new items for the kids
Forest Glen	Yes	A fence near the busy roads. A few baby swings.
FOREST GLEN	Yes	Add another "playset" in the grass south of the pavilion for older children
FOREST GLEN	Yes	Keep filling the holes that the sponge material on the ground gets
FOREST GLEN	Yes	Provide a little more safety for the children, ex. Larger "not allowed" signs
FOREST GLEN	Yes	What about doing more holiday events/Farmers Market
FOREST GLEN	No	Needs more lights
FOREST GLEN	No	Surveillance for vandalism. Fabulous park!
FOREST GLEN	No	Very overcrowded always, can it be expanded in size?
Forest Glen Park	Yes	The park needs more swings. It only has 2 ADA swings and 2 regular swings. It needs more swings for such a busy park.
Hawthorn Woods and Costaldo Park	No	Plant more trees. Remove less brush.
HOBSON CORNER	No	Better management of waste especially over the summer, also signage for people to clean up after their dogs. Poop bag stations would be wonderful.
Hobson corner park	Yes	It's great
Hobson Gate	No	Disclaimer: my wife and I just moved to the area 8-14-2017 and are unaware of most park district events and activities. See my response to Q. 19 for suggestions to help new residents become acclimated. I apologize if my responses affect survey results but I am responding from the perspective of a new resident with needs/interests but unfamiliar with offerings.
IDE	Yes	I would love a park and playground in the new Timbers Edge subdivision
IDE	Yes	It was improved by cutting down the landscaping recently so there is a better view from the street to see who is hanging out
IDE East	Yes	The park is wood and the bees like to hide in the holes in the wood. Maybe think of changing it to something the bees will not hide in.
IDE GROVE EAST	No	Remove some bushes - can't see the park from the street - too dark/secluded
Ide Park	Yes	It is already receiving improvements. I like what is being done.
IDES GROVE	Yes	Porta-potties!
IDES GROVE	No	The pond has now been aerated the result being water clarity and appearance. This should continue.
IDES GROVE EAST	Yes	Needs new playground equipment. The wood structures are rotting and equipment is antiquated.
IDES GROVE EAST	Yes	Restroom facilities
IDES GROVE EAST PARK	No	It's great the way it is
IDES GROVE PARK EAST	Yes	It was just improved! Thank you for installing the fountain and cleaning up the bushes!

Park	Kids	Suggestions for Improvement
IDES GROVE WEST	Yes	New playground equipment - this equipment attracts wasps - and new ground covering for play area
Ide's Grove West	Yes	Water fountain Larger slide
IDES PARK EAST/WEST	Yes	Ides West needs to be redone - the wood is not great. Also, what is the status of the new park land at Harcourt/Cedar/Hartford in Timbers Edge - residents are anxious for a park.
INTERNATIONAL ESTATES	Yes	It needs playground equipment
INTERNATIONAL ESTATES	Yes	Lawn maintenance
INTERNATIONAL ESTATES	No	Better/more frequent landscape attention/cleanup
Janes Ave	Yes	More appropriate equipment for babies and toddlers like baby swings.
JANES AVENUE	Yes	More playground things
JANES AVENUE	No	Better benches to sit and watch skaters
JANES AVENUE	No	More security cameras and patrolling
Janes Avenue Park	Yes	It is difficult to determine if a restroom is available at the park.
Jefferson	No	Everyone on the block voted no when you removed it over 30 years ago, but you did it anyway!!! Soooo put it back!!!
JEFFERSON	No	More open gym times, playground for small kids in neighborhood - nearest one too far away
LAKE CARLETON	Yes	Have a Christmas light walk near the lake, with a hot cocoa roaming kiosk. Roaming vendors with ice cream and hot dogs in summer. Improved park equipment - toddlers can/have easily fallen off in large gaps!
Lake Carlton	Yes	Trees to shade the park. No basketball hoops.
LAKE HARRIET	Yes	Bridges need maintenance
LAKE HARRIET	Yes	Litter
LAKE HARRIET	Yes	No parking on street after dusk. Park is not lit, so no one should be near water in dark and no need to park outside my kids window.
LAKE HARRIET	No	Bridges slippery when wet; aerate ponds (see Lisle-off 53/Windsor Park in Carol Stream)
LAKE HARRIET	No	Cut back weeds around the lake
LAKE HARRIET	No	Get rid of geese; aerate water; regular cleaning of goose poop; trim vegetation; bridges very slippery when wet. Perhaps bridges should have signage indicating location in case of emergency, e.g. SW bridge, West Bridge, etc.
LAKE HARRIET	No	Great as is
Lake Harriet	No	I love walking here with my dog. It beautiful and gives me a great break for the day. I would like to see a doggy park somewhere. A chance to let my dog run off his leash and play with other dogs.
LAKE HARRIET	No	Keep shores cleaner and get scum off water
LAKE HARRIET	No	Make smaller the geese flock - ground a mess, have been chased numerous times, and the bridges are awfully dangerous in winter and rain. Ditto for all the paths that connect with this space.
LAKE HARRIET	No	Pond area and walking bike trails can be cleaner, lots of goose droppings. Pond looks and smells bad most of the spring and summer.

Park	Kids	Suggestions for Improvement
LAKE HARRIET		Please continue to work on bringing back the forest! I suggest more public education on why it is important to get rid of the invasive plants. Most people have no idea and are appalled at the great work that has been done to this point.
Meadow	Yes	We should have a port o potty to use.
MEADOWVIEW	Yes	A few more preschool swings and more woodchips
MEADOWVIEW	Yes	More useful equipment to play on
MEADOWVIEW	No	Let some wild trees and shrubs grow there - don't make it too tidy
MEADOWVIEW	No	More lights around the park/school - on the path bridge just south of the school
MEADOWVIEW	No	Some of the equipment is starting to worn. Still nice.
MEADOWVIEW		Better landscaping (looks half done). Better playground near Foxtree Ave. side. It needs to look more safe (i.e., better lit at dusk). Update basketball court (it looks creepy towards dusk).
MEADOWVIEW		Fix basketball hoops, update park
Meadowview, kind of old and used	Yes	New structure and new ground
meadowwood ave.	Yes	It is always messy with garbage and debris. More shade over the equipment as it gets very hot in the summer and we can't enjoy the park other than early in the morning and late evening. It is also very buggy due to the standing water nearby.
MENDING WALL	Yes	Activities for older children
MENDING WALL	Yes	More infant/toddler swings - there is only one
MENDING WALL	Yes	Please add a picnic space with tables, perhaps a firepit, and year-round restroom facilities
MENDING WALL	Yes	Very nice but mulch needs to be filled in more often
MENDING WALL	No	Change the apparatus kids climb on. The center shoot is very dangerous - kids fall down it all the time! Install more swings, and most of all more lighting so the police can see into the park or else install signs that say closed at dusk! Teenagers hang out all summer - we call police constantly!
MENDING WALL	No	Landscape maintenance
Mending Wall Park	No	A Shelter / Gazebo would be a nice addition.
Mending Wall Park	No	It's okay. We just walk there.
Mending Wall Park	No	The playground area desperately needs some shaded areas to sit under.
Mendingwall	Yes	Would be nice to have picnic benches installed for more comfortable seating
Mendingwall Park	Yes	Nothing, it is a good park.
Mendingwall Park	Yes	There are several young children in the area who all love the swings. Possibly another child swing? There is only one available. Would love to add on a playground for all equipment similar to the Sensory Playground in Lisle.
Mendingwall Park		Consistent, onsite bathroom or port-a-potty facilities.
Mendingwall Park playground	Yes	This park really needs some TLC and a review for safety of both the equipment and the floor material. The wood chips have packed down and now there are

Woodridge Park District Resident Survey

Park	Kids	Suggestions for Improvement
		high concrete steps right at toddler level, I don't know how many kids I see get hurt on the concrete rings around each play area, city needs to add more wood chips or a soft material as well as review how to make the concrete steps safer for young kids.
Murphy School	Yes	Another garbage can (always have to pick up a lot of refuse). More equipment to play on is always welcome
Murphy school	Yes	Have to get rid of the wood chips! Please! Get a rubber ground.
MURPHY SCHOOL	No	Install a bench/benches - more swings!
Murphy school		It could have more play areas
na	No	na
NOBLE WOODS	Yes	Baseball fields could be maintained better
Orchard - Love this park. More parking spaces would be helpful.	Yes	More parking is needed.
Park District	Yes	I would like to see a fountain for the dogs added. I also think that we should have more recycling containers located throughout the town.
Park District Park	Yes	You should put something like a ladder near the little monkey bars so the kids can get off.
Park near Goodrich School	Yes	Regular maintenance
SEVEN BRIDGES	Yes	Water fountain that works
Sipley	Yes	Make it better for different activities. It is not a park yet for me.
SIPLEY	Yes	More benches for the older population, more things for the kids to do
SIPLEY	No	I've heard improvements are in the works
SIPLEY	No	Need shaded areas
Sipley Park	Yes	All ages use that park but since it is for an elementary school it doesn't have equipment for the toddler age (1 to 4 yrs old). This makes parents walk or drive further. Also need to be maintained during the summer months when school is not in session. Freshen gravel and blacktop.
Sipley School	No	No the children enjoy going there
Somerset Park	Yes	Plants trimmed more often, check for wasps nests on RED triple slide. at top of slide every year.
SUMMERHILL	Yes	Rubber floor vs. current wood chips
SUMMERHILL	No	It is always in nice shape
Summerhill Park	No	no wood chips, something different
SUNNYDALE	Yes	Gogo pit (this should be at some parks)
SUNNYDALE	Yes	Perfect as is except keep porta-potty there from April-November please
Sunnydale	No	A little more tree/bush trimming
SUNNYDALE	No	New running track, new lighting, improve soccer field
SUNNYDALE	No	Not taken care of - clean up weeds
Sunnydale Park	Yes	Could improve cleanliness a bit and install additional playground equipment
Tennis Courts	No	I'm happy with the tennis courts and amount of parks in the Woodridge area

Woodridge Park District Resident Survey

Park	Kids	Suggestions for Improvement
Veterans Park (Jefferson Jr High), and Forest Glen	No	Keep the geese out. They make a mess. Nervous also about coyotes at night.
WESTMINSTER	Yes	Keep clearing brush! Awesome. So much more enjoyable.
WESTMINSTER	Yes	More tennis courts
Westminster	Yes	On Halloween noticed the port a potty was still at the park and trashed. Little surprised it hadn't been taken down or at least locked up at this time.
WESTMINSTER	Yes	Patrol more often for safety to prevent crime and vandalism - we have experienced too much teen misbehavior and vandalism at our neighborhood park
WESTMINSTER	Yes	Skate park, basketball hoops
WESTMINSTER	Yes	The addition of some basketball courts, better pavilion/playground equipment maintenance
WESTMINSTER	Yes	We love the park and have used it for years. My son says there is too much graffiti in the green slide though.
WESTMINSTER	No	Add a trail through the adjacent wooded area
Westminster	No	It's good
WESTMINSTER	No	Keep it clean
WESTMINSTER	No	Night lighting on walking path
WESTMINSTER	No	Plant trees on the north and west ends of park
Westminster park	Yes	Change out the horrible Mulch and replace it with a rubber playground top.
Westminster Park	Yes	N/A
WILLIAM F. MURPHY	Yes	Updated equipment and change paint color to make it look newer
William F. Murphy	No	Cleaner area and more wood chips on the playground
WILLOW CREEK	No	Maybe add more playground equipment, etc. or similar activities
Willow Creek	No	New bike/walking paths look great. Suggest to cut back the overgrowth of bushes and trees along the creek, from the baseball field, west to SummerHill.
Willow- forest glen park	No	No need . Love it
Willowcreek. It would be nice if we had a community garden nearby.	Yes	It would be nice if it had an area for a community garden so the elementary kids could learn about growing food and more native plants.
Windy City	Yes	Better lighting on jogging path
WINDY POINT	Yes	Some of the toddler and big kid interactive tools are faded or broken. Updates to modernize park would be nice.
WINDY POINT	No	Additional play equipment (swings), park is usually packed; nicer landscaping along trail
winston hills/63rd st	Yes	It is good
Woodridge School	No	some more young child related equipment
WPD-Center Drive	No	More chips on playground

Park	Kids	Suggestions for Improvement
	Yes	More seating areas, more playground equipment for toddlers-5 years like smaller monkey bars

Please share any suggestions/ideas regarding any existing or new programs, parks, paths and facilities of the Woodridge Park District.

Kids	Suggestions/Ideas
Yes	1. Cypress Cove is WAY too crowded. Too many people in the pool it is dangerous! Not enough chairs. I hate taking my kids there. Except the lifeguards are very good. 2. Why can't kids under 13/14 use the cardio equipment at the ARC under adult supervision? It sure would give them something to do when I am working out. 3. Woodridge needs a CURBSIDE brush pick-up program that doesn't involve having to cut up large brush into tiny yard waste bags. And bringing brush in my car to the drop-off site is so not practical! 4. The Village Greens clubhouse needs updating/remodeling.
Yes	A gymnastics facility and an indoor pool are the only things lacking, but also the only things my family would use! We go to the Bolingbrook Park District to meet our needs, they have so much to offer!!!
Yes	A new walking path, preferably away from a high-traffic area (like on Woodridge Drive) would be ideal. If the path could be lit (perhaps sensor lighting) - that would be perfect!
Yes	Add table tennis
Yes	Additional outdoor swim times, outdoor ropes course in forest
Yes	ARC is ok, but doesn't offer anything unique that can't be found nearby
Yes	ARC membership fee is very expensive, which prohibits my family from enjoying the facilities.
Yes	ARC membership should be lower. Also, it should be more accessible to kids (open gym, etc.)
Yes	Art classes for children under 3, outdoor classes for children 2 and up, enrichment programs for children 2 and up - dance, art, more parent/tot classes
Yes	As a working mom I wish there were more parent/tot classes in evenings or on weekends. An evening Pilates class for adults would be awesome too.
Yes	Better lit paths
Yes	Can some trails be added to Hawthorne Park and the open space at the Jubilee field using wood chips
Yes	Castaldo is close by - but it is often very buggy, and often wrappers/garbage in the mulch. The electrical lines are very loud and you can hear the current going through them. Makes it feel unsafe as if you're being exposed to something. More community-based events - summer concert series is awesome - having it in a centralized venue of its own. More opportunities to bring revenue into the community - farmer's market, food trucks, coffee shop - in community center, near walking trails/Lake Carleton.
Yes	Child care more options at ARC! Free walking path at ARC for residents! More town events! Friendship Rocks initiative! Tree lighting ceremony! Halloween kid events should be improved at Seven Bridges! Make that our awesome downtown area! More music and kids events there! Also, more kids events at ARC like other park districts do - look at Darien!
Yes	Classes are too expensive!
Yes	Community theater, more open gym times, volunteer outings for youth/teens
Yes	Cypress Cove needs the bottom of their pools fixed - cut feet last summer! Child care at the ARC for parents when using the fitness center in the evenings and weekends.

Kids	Suggestions/Ideas
Yes	Disappointed with the number of times that Cypress Cove as either closed or part closed this summer. Can some of the repairs be done in off season or offer discount to memberships if that happens.
Yes	Every experience with the Park District has been very good for our family
Yes	Feel that families that live and pay taxes in Woodridge and surrounding areas should get discounted rate for the new complex. You would get more members that way.
Yes	Free daycare at ARC when working out (or minimal fee)
Yes	Frustrated that younger kid programs are frequently scheduled during typical nap time 1-3 pm. Sad when I find something and have to pass.
Yes	Give some attention to Lakes Harriet and Carleton. Frequently garbage in and out of water. Stagnant smelly water. Maybe add fountains?
Yes	Good parks, outdoor running track and more activities with (illegible)
Yes	Have to find a way to better educate the community on what services & programs are available. Run more promotions to get enrollments.
Yes	Heading in the right direction with ARC, nice facility but a bit too expensive. Also, the city needs to not lose focus on city parks and sidewalks. Despite my complaints, I would like to thank the Park district and city for all the hard work to ensure citizens have quality services. Thank you for also asking for citizen opinions and looking to improve.
Yes	How often are teachers/instructors evaluated or observed? It is extremely frustrating to have a 45-minute class and instructor is 5 minutes late while there are other coaches there 10 minutes early, set up and ready to go. Consistency?
Yes	I don't think my taxes should go to ARC and then have to pay for a membership. I think we need a separate adult only deep swimming pool that is open 24 hours - 10 feet deep at least. Because I work late there is nowhere for me to swim/dive.
Yes	I have noticed that there are alot of classes offered through the park district for age groups, that at the start/end of the school year, are enrolled in full time school. It doesn't make sense to me that classes/clinics are offered during these times when kids can't possibly attend.
Yes	I love the ARC but there is not enough open gym time for kids 12 and under. The times are not convenient because kids don't get home from school until 4:00 and parents aren't available to take them during those hours. And control geese population on fields and parks. The soccer fields are covered in goose poop.
Yes	I love the idea of a nature park (similar to Hidden Oaks in Bolingbrook), we would definitely use it often. More tables and benches at the splash pad would be nice too.
Yes	I love the Park District and the ARC!
Yes	I want an indoor aquatic park we can use in winter
Yes	I wish the park district would place more emphasis on natural pathways and nature programs along with more sustainable living. A nature preschool similar to Naperville's would be great. A nature center, community garden, and sensory playground would also be great.
Yes	I would like Cypress Cove to be open more hours in August
Yes	I would like for Woodridge to have a location with an indoor pool and the opportunity for swim lessons throughout the year.
Yes	I would like to see outdoor fitness equipment, basketball courts and a garden plot would be awesome! Our family loves to be active and outdoors. I would also like to see a gymnastics program offered for girls that are 9 and over. We currently have to keep registering with the Downers Grove Park District.

Kids	Suggestions/Ideas
Yes	Increasing the park/activities to the southern portion of Woodridge. I enjoy the amenities provided by the community, however it takes us 10-15 minutes to get to any of the community events that we're interested in.
Yes	Indoor large auditorium for community/school performances
Yes	Indoor pool at ARC or a new facility
Yes	Indoor pool! Offer more kid stuff in evening/weekend - nothing works for kids with 2 working parents.
Yes	Indoor pool, more bike paths, more activities planned for kids after 5 pm. Would love to have my daughter on a swim team but only offered in the summer during work hours.
Yes	Indoor pools
Yes	Indoor swimming facilities! I think health-conscious and fitness-minded adults would greatly benefit from additional opportunities to swim for exercise.
Yes	Indoor swimming pool for residents low cost
Yes	It would be nice for Hawthorne Woods to have more paths going through it.
Yes	Large community park, nature area, basketball courts
Yes	Less structured classes for toddlers (not requiring them to sit- more movement), weekend/evening childcare at the ARC, better informing of staff of children with disabilities in class and how to deal with families (being discreet, talking better with parents), more toddler-friendly classes/open gym for toddlers, addition of sensory-aware areas or times for big events like the jubilee (playing music quieter, area for kids with disabilities so they don't have to get elbowed out of the way by more rambunctious kids), programs for kids with sensory processing or autism spectrum disorders (sensory storytimes, sensory classes, therapy dogs). Facilities: splash pad needs a fence since younger kids go there and tend to run away from parents. Allowing well-behaved kids on the track at the ARC with parent supervision. Cypress: The swimming classes at cypress cove we've gone to in the morning for toddlers- we've always been told we need to leave immediately after class. Parents of toddlers need to bring them home for naps. I really think the option for families to stay 1/2 hr or 1 hour after class should be given. It's a lot of work to get babies and toddlers to the pool and the swim lessons get us there. We've actually been harassed (by other patrons! As well as staff (listening to a patron who wanted our seats!!) to leave immediately- it takes time to get everyone a snack and dried off and changed and ready to go. I just want to not be rushed out if we are going to leave very soon anyway.
Yes	Let kids use the track (with supervision) during some hours. Add semi-organized family drop-in sports times, where parents can play with their kids with other families. Indoor game room with things like ping-pong and billiards. Practice rooms for musical instruments or tutoring.
Yes	Love the ARC!
Yes	Love this park district and all the improvements!
Yes	Make more like the park at 75th and Woodridge Drive. Indoor lap pool for adults, indoor swim lessons for kids.
Yes	Make sure all the bike trails are in good condition and connect to other communities' trails.
Yes	Make sure bushes and trees are trimmed along bike paths so people do not have to duck or go off the path
Yes	More competitive sports for children. We often go through Downer's Grove PD to utilize their competitive sports programs.
Yes	More competitive sports teams and also more open gym and turf time
Yes	More early childhood programs, for kids under one years old

Kids	Suggestions/Ideas
Yes	More shade for grandparents watching the kids. My wife (72) participates in Curves (private club). Seems like a great program and would like to join such a program for men age 75+.
Yes	More variety in fitness classes offered at the ARC
Yes	More weekend classes for toddlers. Pavilion near 63rd/summer hill park. Signs reminding people the parks are not off-leash parks.
Yes	Mountain bike trails
Yes	My daughter has played softball with Woodridge for 9 years. I have also coached. For the first time we have left the Woodridge program because of a lack of competitive team for her age. Fast pitch has never been promoted as seriously as baseball. Many talented softball girls end up leaving. This is a shame.
Yes	Need (bigger better) bandshell
Yes	Need a bathroom facility by Orchard Park; need a reduced resident price for use of the ARC; need to try to connect bike paths to a northern path toward the Prairie Path. This would be ideal for long distance - this is a County issue.
Yes	Need daycare on the weekends at the ARC. Indoor tennis leagues would be nice to have.
Yes	Need indoor pool!
Yes	no complaints
Yes	Off lease dog areas needed. We use the one at Green Valley but would love more. Love the walking path at Lake Harriet. Maybe mom/stroller jogging group? Thanks for the great job.
Yes	Offer fewer programs, but market them better. Customize and personalize emails instead of too many offerings that aren't age-appropriate. Programs are sometimes marketed at the last minute, not giving residents time to register before cancellations. Please look into a Friday night dodgeball event from 6-9 PM for 10-14 year olds. Park District times for programs are often decided by outside contractors and can compete against other Park District programs. More one time events for 10-14 year olds like Ultimate Nerf Battle, dodgeball, kickball will get better attendance than weekly hour programs. Parents always looking for fun and active programs without a huge commitment.
Yes	Online registration could be easier but you are releasing a new portal now. The community center should have more toned down Halloween decorations for younger kids.
Yes	Orchard Hill Park needs amenities for athletic fields, such as permanent building for restrooms and concessions, plus better connectivity between fields and Cypress Cove. See McCollum Park in Downers Grove.
Yes	Orchard Park needs a concession stand. There is a large missed opportunity for increasing revenue by not having one there.
Yes	Outdoor adventure area would be awesome!! My kids are getting older (teens) and need a new outdoor park to play in!
Yes	Outdoor exercise circuit and group classes, running club
Yes	Park District office itself needs renovation especially all the classes are a bit dark because in basement and feel cold plus scary
Yes	People should not be fined or penalized for wanting to play soccer on the fields.
Yes	Please offer more days and times for activities of children with working parents. It would be helpful if more summer camp programs were offered. We had to go to a different community center, and we tried to sign up at the beginning of the summer. It might also help to have a flier or something go out regarding day camp. Talk with your coaches, and maybe give them some additional training about working with little kids. My kid has special needs that are not visible and was berated over and over again by the person who seems to coach every kid activity. We didn't show up for the parent

Kids	Suggestions/Ideas
	child game, because she was so upset. The kids really look up to these coaches. I am afraid to sign my child up for soccer or any other team sport, because I really do not want him to be her coach again. I am also concerned about signing my child up for before/ after care, because I am not sure if that person is involved.
Yes	Post no parking at night! Or give first time warnings!
Yes	Programs or classes for toddlers on the weekends. We would love to sign them up for the programs that you offer, but Weekdays are not always convenient with work schedules and such.
Yes	Quit focusing everything on South Woodridge (Cypress Cove area). Why didn't an indoor pool get built at the ARC instead of another huge gym?
Yes	Quit staying up with other communities and focus on what we already have. MONEY.
Yes	Rather not have tax dollars go to indoor programs/facilities
Yes	Reading signs on Community Center digital display is hard to read - not large enough print, not displayed long enough. Distance to ARC is too far for residents north of 75th north of Hobson. Have taken some classes Daren Park District, time to travel is less than ARC and costs more modest as well.
Yes	Someone is going to get hurt by a foul ball at Orchard Hill Park. More nets are needed! Bulldog program is great! Cypress Cove is great! ARC is awesome! Please do not ignore the Orchard Hill baseball fields.
Yes	Stop spending so much money on buildings and lower our taxes
Yes	Swings at Castaldo Park
Yes	The ARC does not have a wide enough variety of programs to attract our family. We live very close and thought we would use the facility all the time when it was being built, but a membership is too expensive and nothing else has been attractive to us. My kids would like to use the Janes Avenue skate park and hockey rink but they do not feel safe there and I don't feel they are safe there either.
Yes	The ARC is pretty expensive. I still use Darien Park District as my gym.
Yes	The ARC is very disappointing. Calling or stopping in no staff has any information and can be quite rude. The fee for a 14 year old to join is 1/3 the yearly cost. This is not a fee/family friendly facility.
Yes	The ARC programs and the Open Turf program are very confusing. The daycare punch card is ridiculous - just add it into the membership. Registration is a pain in person, just go to Bolingbrook and copy what they are doing....they have a great park district, fitness, special needs and aquatic program. The ARC needs to cater to family's more. We simply go to the Y in Downers Grove and so do many people in this neighborhood. The ARC needs to drop the family membership fee and make it competitive with the Y in DG.
Yes	The bike paths need to be extended and better maintained. Safety while crossing streets needs to be increased. Too many cars do not stop at stop signs or roll through/block crosswalk.
Yes	The hours and days for Cypress Cove was disappointing this year. Some family members weren't even able to go because of the limited times in August.
Yes	The Kidz Squad program has suffered since changing to the ARC.
Yes	The majority of the programming for kids under 2 and some of that for ages 2-5 is not available to working parents with kids in daycare. The facilities and programs are all AMAZING! We feel very fortunate to live in Woodridge.
Yes	This survey is too long
Yes	Times for classes are not great for 2 year old
Yes	Updated equipment, we have tons of little kids in the neighborhood
Yes	We are new residents to Woodridge. We are a working family and have two young children. We are disappointed to see not many classes/activities are offered on the weekend. Most of the

Woodridge Park District Resident Survey

Kids	Suggestions/Ideas
	activities/classes are offered during the weekday or weeknight. We are unable to make it during the weekday since we work. We are unable to make it during the weeknight since our children are young and they sleep during those class hours. In order for us to participate in activities, we have to go to a neighboring town.
Yes	We are newer to the community and this survey taught us about the activities and facilities I didn't know Woodridge had. Is there an indoor pool? I think this would benefit entire families over the winter and give them something to do together.
Yes	We are still struggling to use the ARC with having a 9 year old. There is no childcare so my husband and I can't go together!
Yes	We don't use a lot of the programs/resources at this time but we hope to use more as our family grows
Yes	We enjoy the haunted forest walk
Yes	We live across from Echo Point Park but never use it. I don't feel safe bringing my kids there. Certain groups think they own it.
Yes	We love the ARC, bike paths, classes etc. We do really like Cypress Cove but feel it is pretty expensive.
Yes	We need a bathroom and a concession stand at Orchard
Yes	We really need an indoor pool. That should have been added when that new rec center was built. Very disappointed that it was not part of the plan. Also a parking deck should have been considered for that Rec Center.
Yes	We were upset to find out that the ARC was not going to have an indoor pool. We opted to not get a membership there due to no pool.
Yes	We would love to see more 'mommy and me' or 'daddy and me' programs for younger children such as 'mat/gymnastic' type classes
Yes	We'd like a sledding hill! The splash pad needs a soft surface for the ground as opposed to concrete.
Yes	Why can't we have a pool for winter use like Downers has? Some of us with arthritis would benefit greatly for a year-round facility with better evening hours than the too-early cutoff at Cypress Cove for working adults.
Yes	Wish the fitness classes were part of the gym fees not separate
Yes	-Wish there was an indoor pool at ARC-we had to join a different gym for my husband to train for a triathlon -Not enough evening classes offered for preschool age: both parents work in our house
Yes	Woodridge does a great job. We did fall baseball with Bolingbrook this fall, and it made us realize how good we have it with Woodridge's coaches, communication.
Yes	Woodridge residents need a free indoor activity space and programs. This includes indoor swimming.
Yes	Would be great to have ice rink on tennis courts during winter and poop-free football field. Fitness and exercise not offered for working individual. Price of new ARC membership not reasonable for four resident household.
Yes	Would like a indoor water facility. The bike paths are almost never used by people on bikes, maybe walkers.
Yes	Would like to see more family oriented programs at ARC or Cove. Definitely need to clean up Echo Point Park. Weeds need to be cut down, park redesigned, utilize the space.
Yes	You need to offer kid corner hours in the evening. I'm limited in what I can attend because of a lack of kid corner hours.
No	Add flowers/more trees to path located on Hobson near fire department
No	Add more fitness programs at Cypress Cove

Kids	Suggestions/Ideas
No	Add painted pickle ball lines to existing tennis courts. Fast Growth with baby boomers retiring. Dedicating one tennis court to- two pickle ball courts, and lining two additional tennis courts is very successful in D.G. Dorehofer Park. Last two summers have had consistent turn out over 20+ plus players four times per week plus with a e-mail list of over 70 players coming to play. 'Build it and they will come'!! All it takes is some paint. You can't do just one court, you need three to four to attract the players.
No	Add some lakes to Woodridge, not a puddle or a pond but big deep lakes that can be used by jet skis, pontoon boats, canoes and paddleboard, at least 300 acres in size. Also, either give me what I want or stop charging me on my property tax.
No	An indoor pool would be great. Fitness programs immediately after work (between 4-5 pm) would also be a plus.
No	ARC fitness membership - if this included access to the gym during hours where there are no scheduled activities, I would purchase membership. When I inquired about membership, I was told open gym was only a couple hours on a couple days each week. This prevented me from joining. If I could bring my own basketball and use the gym when nothing is going on in there is nothing already going on, I would join. Please feel free to let me know if this ever changes - al.tangney@gmail.com
No	ARC is more expensive than the neighboring fitness places
No	As a "senior" Woodridge resident, I would like to see more activities for "seniors" and a better means of notifying the residents...perhaps a monthly newsletter
No	Better definition of bike vs. pedestrian use on bike paths when there is no sidewalk (esp. near water park)
No	Bike path bridge over Rt. 53. Most of the major items/locations are too far away.
No	Bike/running paths are excellent. More races in area would be appreciated. Not aware of any photography classes and such.
No	Can Cypress Cove be expanded? It's always crowded
No	Classes, events, trips for older adults that are still working
No	Climbing wall at ARC
No	Collaborate more with local park districts such as Downers Grove, especially for running races
No	Complete bike path along Rt. 53 to connect Summerhill Park
No	Conveniently located walking paths (Windy Point Park). Cooking classes (I take many at Burr Ridge Park District - they are excellent).
No	Cost is pretty high, even at the senior rate. If you have a membership classes should not be additional cost.
No	Costs of using some facilities seem very high even for residents
No	Currently not utilizing them. Grandson possibilities
No	Cycling class, barre class, interval class after 5pm and weekend
No	Cypress Cove should have had indoor pool, this beautiful facility can only be used May 30-September 1. Not a great deal of bang for taxpayer buck. Revenue could be generated year round, with birthday parties etc. had this been a partially enclosed facility like Bolingbrook.
No	Enforce rules at Cypress Cove program pool - there's a whole water park for play and the program/lap pool should be for adult swim.
No	Excellent progress and development on Janes. Remodel community center (old rug floor).
No	Expand "bike paths" so that people who want to walk/run don't have to compete with bikers for space. (And) see too many bikers in vehicle traffic lanes causing safety issues for vehicles and bikes.
No	Expand Silver Sneakers program to include fitness classes

Kids	Suggestions/Ideas
No	Extend bike path
No	Extend the 75th St. bike path west to Woodridge Drive
No	Fabulous park district!
No	free mental health counseling
No	Have rec center opened longer
No	I am a senior citizen so much doesn't apply to me. I would love a farmer's market!
No	I am deciding between the ARC and YMCA - looking at what is the best value for membership
No	I am extremely pleased with the ARC facility. Great park district. Keep up the good work.
No	I attempted to register, they were cancelled before they started
No	I feel we really missed out with ARC and not providing an indoor aquatic area. It would be so great for the community if these facilities were offered.
No	I like how clean and well-maintained the parks and trails are. I am interested in your fitness programs, especially yoga/tai chi types but can never figure out your map locations and acronyms. They also seem expensive.
No	I love the ARC. The addition of a steam room and/or sauna would take it up a notch. An indoor pool would put on par with Edwards Health club and LA Fitness.
No	I think we should have an indoor at the ARC.
No	I wish you provided dog waste bags at parks and paths. Maybe people would clean up as they should. Also a few more trash cans between 63rd Street park and Summer Hill.
No	I would like cypress cove to be open for longer hours and past Labor Day. Possibly have admittance for just adults if unable to find lifeguards. Like lower fees for ARC. More group classes at ARC like Zumba, core fitness etc. More ice skating. I think ARC should have more trees around it as it did take away open space from view of piers II residents. The kids can be loud over there and one time one of them was throwing a ball at my garage and the camp counselor didn't even tell him to stop.
No	I would like to see Lake Harriet get more attention. Additional bike/walking paths. Community garden plots and/or farmers market would be great!
No	I would like to see Tai Chi programs
No	I would love a class offered to adults on Spanish and also on sign language. I would also like any programs where the public gets to interact with our community servicemen like firemen, police, EMTs. It would be great to get to know them.
No	I'm an occasional user of the walking trail in Castaldo Park. It would be beneficial if one of the port-a-johns were left at the park during winter.
No	Improve Boundary Hill Park parking lot drainage it's a swamp half the time. The hours during the week M-TH of the skatepark/basketball courts during the school year should be lowered to 8pm as many of our at risk youth gravitate towards these areas when they should be home doing schoolwork. It is unfortunate that the parents do not do their jobs but sanctuary should not be given for these people to hang out during the school week when they should be being responsible at home
No	In my opinion, I believe Woodridge has done a terrific job with all these programs
No	In the past 3 years, the condition of the golf course has deteriorated to the point of becoming a "cow pasture." T boxes (1, 9, 13 and 16) are deplorable. Pro shop staff and Brendan/Prince are the only bright spot. Greens are not watered enough and many bare spots. Hole placement frequently in roughest part of the green, bare ground.
No	Increase open basketball hours at ARC. Maintain Lake Harriet and do not build around it.
No	Indoor aquatics during the colder months would be nice.
No	Indoor pool

Kids	Suggestions/Ideas
No	It is irritating that all facilities are on the south end of town. Not gonna drive miles to use ARC when Downers Y is closer.
No	It would be great if the park district could send a program guide to new residents as part of a 'welcome packet.' Short of a full program guide, a flyer or postcard inviting new residents to checkout park district events and activities online should be considered. We have received several mailings welcoming new residents from local businesses so the information on new residents is available publicly. Second, the park district should consider email updates, Twitter or Facebook posts about new activities/registration periods. Reminders are always helpful in generating interest.
No	Keep clean, mostly from geese and mosquitos. I know this environmental, but these 2 are my only issues.
No	Larger space is needed for dog training classes. Would love to see garbage cans along heavily used paths (by paved path along powerlines off of Woodridge Drive). Waste bags could be provided in a dispenser to encourage people to pick up after their dogs. The community center could collect grocery bags from residents to keep the cost low.
No	Love the ARC. Staff is great.
No	Love the walking track at ARC
No	Loved the park district for 35 years! Keep up the good work!
No	Lower rates and season passes for residents at Village Greens. The average resident can't afford Seven Bridges.
No	Main problem is keeping paths near Lake Harriet and Lake Carleton clear of goose poop. Also, it would be nice to not have to see graffiti on the wall of the underpass connecting the 2 lake areas.
No	Making most activities affordable
No	More adult dance class variety at night
No	More fitness group classes would draw me to ARC. Currently not a member because better classes at Seven Bridges Edwards.
No	More incentives offered by ARC to motivate me to keep coming in and utilizing my membership. Make it more fun!
No	More lifelong learning classes - photography, nature, cultural/performing arts, gardening, volunteer, farmers market
No	More outdoor concerts. A 5K run/walk event. More ornamental landscaping, i.e. fountains, shrubbery, benches, sculptures in the public areas.
No	More people would participate in the garden plots if it was fenced in and had water
No	More portable toilets around walking paths
No	More programs for physically disabled
No	More programs, days, later times at Community Center
No	More travel, special events and senior programs
No	More trips and programs for seniors!
No	More walking paths in community
No	More yoga classes after 5 pm
No	Most all of our spare time is spent at Morton Arboretum, which meets all of our needs
No	Most are very far from Summer Hill
No	My primary request would be an adults only swimming pool at the aquatic park OR more lap lanes with adults only honored OR more adults only time in the pool - maybe a couple of hours in the morning, etc.
No	Need more senior citizen programs and reasonable trips

Kids	Suggestions/Ideas
No	Need to provide better priced options for couples/families at ARC. Too expensive to consider using. Performing arts space would be a great addition to community.
No	None at this time
No	Not interested in ARC because we feel fitness area was not prioritized, more of an afterthought. And cost for that area, which would be the only thing we would use as older residents, is too much.
No	Not sure one is available but a road bike race would be nice
No	Off leash dog park
No	Offer extended usage and swim time for adults at Cypress Cove thru and after Labor Day weekend
No	Orchard Hill sports complex needs to improve its parking and security. The ARC needs to put in swimming pool, exercise and more fitness, and provide bigger and better discounts for residents with disabilities, heart conditions.
No	Our area inconvenient to use most Park District activities
No	Park District facilities, classes and programs should be accessible to ALL residents, but I have been extremely disappointed to find that is not the case. WPD programs and classes are more expensive than neighboring communities. Use of the ARC is available only to those able to pay enrollment, membership and additional fees. Employees create barriers by not listening to concerns, responding rudely to questions about program decisions, and demonstrating obvious preferential treatment for certain programs/participants over others.
No	Please consider adding a "flyover" bike/running path across 12-53 connecting the trails at the 63rd St. Park & 7 Bridges
No	Please expand the existing network of paths primarily for running/walking. Addition of crushed limestone paths throughout pathways.
No	Please promote ARC - I want to join - pricing? Never received mailer or promo
No	Please provide multiple meeting rooms for 20-40 fathers and children for monthly Indian Guide and Princess meetings. There is specific mention of the seniors' programs. I especially enjoy the senior outings.
No	Push health and fitness, good food and healthy living, team activities and learning new ways to be involved in community for our young residents. Offer more to us older residents!
No	Remove playground equipment, and restore the swimming pool that was removed
No	Sipley School has no baby swings and is often occupied by school children. There is an empty lot on Ross Drive we have been told is Park District property, but is not developed. How about making that a toddler park - baby swings, small slide, horses on springs, etc.? Hobson Unit 4 is greatly underserved by the Park District and has been for the last 30 years.
No	Some of the bike trails need attention for dips in pavement that retain water/puddles
No	Some of us work during the day - ARC class schedule is POOR
No	Sorry, After 52 years, I am moving next year, the taxes in Woodridge have become outrageous!!!
No	Stop the financial drain to the taxpayers. It is a benefit NOT to be in the taxing park district. Dissolve it.
No	The dance classes offered are only basic. Should be expanded to intermediate with ballroom emphasis.
No	The fine resources of the Woodridge park system was a major factor in our decision to buy a house and settle here
No	The only program I use is Zumba. I wish there was more choice of time and date of classes.
No	The park district did a great job when we used the facilities with our young family and I believe it continues to serve the needs of the community

Woodridge Park District Resident Survey

Kids	Suggestions/Ideas
No	The paved bike path is a huge waste of money! Hardly ever used!
No	Think forest rehab on Woodridge Drive was (is) awful, unnecessary, wasteful
No	Too expensive even for residents
No	Upgrade area parks and don't focus on The ARC center. First, someone needed to check the name, because it is short for an organization called Association for Retarded Children. People are confused. Should've spent some money to find a better name. Also, id it wasn't done, why rush open it. Plus, try improved Jubilee, it is getting lame and not drawing the crowds, from the village and outside area, as it once did years ago. try to spend a bit more money to advertise village events to outside areas and publication. It seems to be very inclusive and not wanting people from the outside towns and cities to come here.
No	Very disappointed ARC has no indoor pool so I joined lifetime fitness in Burr Ridge. There are not enough senior over 55 programs ie swim, trips, volunteer etc
No	Very disappointed that you have nothing for dogs. My dog and I visited the Hobson Corner splash pad one hot day this summer. We were the only ones there. I was told to remove my dog or be cited. I much prefer you offer less and reduce the exorbitant property taxes.
No	Village Greens is pretty rundown. It seems to be well used and should be better maintained.
No	Village, Park Dist and library should work and plan together so as not to duplicate programs
No	Walkways and bike paths are good
No	We are very pleased with our Park District and support the people who run it and strive to make our town a wonderful place to live. Thank you.
No	We are very satisfied with the facilities and upkeep but we observe the park district sometimes spends money unnecessarily. We suspect the budget may be too high.
No	We enjoy the walking and bike path down Woodward Ave. It would be helping to have a stop light south of Boughton, so that all the people who live in the townhomes on the west side (many of them elderly), could cross the street safely to use the path. It is a very dangerous road to cross!
No	We would like to see more shade and tubes at Cypress Cove. There are too many geese and poop at Lake Carleton/Harriet, also the lakes are too stagnant.
No	What are any new plans for Sunnysdale Park?
No	What happened to men's softball?
No	Woodridge has created and connected many miles of bike paths over the years. Please continue to connect the existing bike paths and build new ones in the future.
No	Woodridge offers many programs and very nice parks. I live alone with severe arthritis and don't use any of it.
No	Woodridge would greatly benefit from an indoor pool. Indoor performing arts space would also benefit Woodridge through revenue and the community it would bring together. Would be interested in a Woodridge Community Concert Band.
No	Would it be possible for seniors to have a room available for drop in? Something like St. Charles has. It doesn't need to be that elaborate. It could develop as funds and grants are available.
No	Would like a farmer's market
No	Would like a fitness class only option per year at ARC, don't use equipment or gym, gets expensive with purchased option
No	Would like to see 6-month membership to the ARC
No	WPD takes far too much money from me in the form of real estate taxes, most WPD facilities are miles from my home
No	You are doing a very good job, much better than other government agencies in the area! Keep it up

Kids	Suggestions/Ideas
	Anything that will make Wdg an even easier place to get along without a car. More paths to grocery and shopping.
	Could have used all this 50 years ago when we moved here!
	Everything is spread out, build one large facility with all the amenities (outdoor lighted basketball courts, beach volleyball, jogging paths, tennis, etc.). The ARC needs an indoor pool. Indoor tennis would be nice. Membership is too expensive.
	For group fitness classes in the evenings during the weekdays, I'd like to see a broader range of class offerings/more variety. The child care at the ARC is not during convenient hours for working families. I'd like to see the park district offer more creative youth programs and offer more after school activities that are at convenient times for young students.
	I only use VG golf course and it is in deplorable shape
	I will never get a season pass or go to Cypress Cove again. A teenager working the door this summer told me I could not bring in snacks for my one-year-old. She didn't have a food allergy but Cypress Cove DOES NOT provide HEALTHY snack options for children. I didn't care that I couldn't bring in snacks but at least provide healthy ones not junk.
	Keep Cypress Cove clean and keep adult pool. Teens need more programs.
	Most activities are during weekdays. For working people would be beneficial to have some during weekends.
	Other programs for people to exercise and advertise them in newspapers, online or letter or program guide
	Path lighting, trail maps, connect back path (N-S near electric hi towers to Castaldo-Lake Harriet paths without having to use sidewalk). Cut down some overgrown weeds-trees which isolate the NW path (by the NW bridge) - it's creepy jogging through. Also throw more native seeds around Lake Harriet & Carleton - it's kind of weedy. Last, get rid of the graffiti on the Woodridge Drive underpass on a regular basis. Same graffiti was on wall for 6 weeks.
	Poor planning when the first community center was built - too small - then poor planning with ARC - no indoor pool. Doesn't meet community needs especially in winter.
	Should never have closed Hobson pool. Why are all new things being built down on Janes south of 75th. An indoor roller rink for kids would be great!
	We need more for seniors
	Your parks are nice and well kept - but considering my age, I no longer avail myself of them
