EPACT NETWORK & REQUIRED FORMS

The Woodridge Park District summer camp programs utilize ePACT Network, an online system for parents and guardians to submit camper paperwork and required forms. This online system also allows camp staff to stay in contact with parents/guardians through a variety of means to share emergency information with them so they can access critical details like medical needs (e.g. allergies, medications, etc) or key contacts (e.g. legal guardians and other individuals allowed to pick up/drop off a child).

EPACT NETWORK & REQUIRED FORMS (CONTINUED)

The parent/guardian listed as the main contact will receive an email, following registration, with directions and a link to complete all required forms through the ePACT Network. It is the responsibility of the parent/guardian to keep all ePACT information and forms up to date in the event that any information regarding your camper changes. It is imperative that the Woodridge Park District have an up to date email address for the parent(s)/guardian(s) of each participant.

All participants must have their parent(s)/guardians(s) listed within ePACT as well as at least two additional emergency contacts. All participants must have one contact (parent/guardian/emergency) that is able to come to camp within 30 minutes in the event of an emergency.

All corresponding participant camp forms must be signed and submitted to the park district by the Thursday before your child is scheduled to begin camp. Your child will not be able to attend camp until all forms are completely filled out and submitted.

Important Note: It is the responsibility of the parent to update their child's ePACT information and authorizations if there are any changes throughout the summer.

REFUND & SWITCH POLICY

A full refund, less a \$5 administrative fee per program, per child, and/or to switch from one week in to another, will only be granted if it is submitted prior to the registration deadline. For example, if your child is scheduled to begin camp on Monday, June 5, the registration deadline for this program is on Tuesday, May 30. If you submit a refund request for this program on Wednesday, May 31, you will not be eligible for a refund. If you submit your refund request prior to the deadline, then you may be eligible.

No refund will be granted after the first day of each camp week with the exception of a written medical excuse from your doctor prior to the completion of the camp week. We do not prorate program fees for participants.

Participants will be responsible for any pre-purchased expenses as well as administrative fees, per program. There is a \$5.00 administrative fee per week/ per program. Thank you for your cooperation and understanding.

If you registered for all 10 weeks and received a discount, but wish to withdraw from a week then the discount will be null and void. You will be responsible for paying the full amount for each registered week.
