

Request For Proposals
for
Hawthorne Hill Woods Path
Tree Removals, MSP #24-07pc
Woodridge Park District
Woodridge, Illinois

1. Introduction. Through this request for proposals ("RFP"), the Woodridge Park District ("Park District") is soliciting proposals from qualified contractors to perform the scope of work described on Appendix A below (the "Project"). Interested contractors shall submit copies of your proposal to Christopher Pollack, Natural Resource Manager with the Woodridge Park District, 2600 Center Drive, Woodridge, Illinois 60517, before noon, 12 P.M. on Tuesday February 6, 2024.

2. Selection. Proposals will be evaluated by representatives of the Park District and such other assistance as it might require. Proposals will be evaluated based on demonstrated experience and qualifications of the firm, the proposed cost for the work, and the availability and capacity of the firm to perform the work in a timely manner.

3. Rejection of Proposal. The Park District reserves the right to reject any or all proposals, or any part thereof, make counter proposals and/or engage in negotiation with any or all firms making a proposal in order to obtain the required and appropriate services at a cost acceptable to the Park District and in its sole judgment will best serve the interests of the Park District. The contractor's qualifications cost and proposal as to the work will be considered in awarding the work. The Park District reserves the right to expand the response period, including but not limited, to supply further information, to make revisions in the scope of work or to solicit additional proposals from other contractors. The Park District reserves the right to cancel or amend the RFP at any time, without liability for any loss, damage, cost or expense incurred or suffered by any contractor as a result of that change or cancellation. Each contractor is solely responsible for the risk and cost of preparing and submitting its proposal to this RFP and the Park District is not liable for the cost of doing so or obliged to remunerate or reimburse any contractor for that cost. This RFP does not impose on the Park District any duty of fairness or natural justice to any or all respondents with respect to this RFP or the process it creates. The Park District is entitled to act in its sole, absolute and unfettered discretion.

4. Access to Project Sites. A contractor may request access to the Project sites by calling Christopher Pollack, Natural Resource Manager, at (630) 353-3373. The Park District is entitled to impose such terms and requirements as a condition of authorizing such access as the Park District considers necessary or desirable. Each contractor who is given permission to have access to the Project site is deemed to have agreed that he/she or it shall assume all risk, responsibility and liability for any loss or damage caused by the contractor's exercising the right of access or which he/she or it or any of the contractor's employees, contractors or agents suffers.

5. Contract. This RFP is solely a request for expressions of interest and statements of qualifications. It is not an invitation for tenders, an offer to contract, or an invitation for offers capable of acceptance to create a contract. No contractual or other legal obligations or relations between the Park District and any other person can or will be created hereunder.

6. Compliance with the Law. The contractor shall at all times observe and comply with all laws, ordinances and regulations of the Federal, State, county and local government, which may in any manner affect the preparation and submittal of the RFP, the contract with the Park District and the performance of the work, including but not limited to all of the applicable provisions of the Illinois Prevailing Wage Act and the Illinois Human Rights Act.

7. RFP Clarification and Addenda. If a Contractor has any questions about the contents of this RFP, or about any matters relating to it (including as to any clarification, errors or omissions of or in this RFP), the question must be directed in writing, and not orally, to Christopher Pollack, Natural Resource Manager, at the address set forth above or by means described in Appendix A before end of day on Thursday, February 1, 2024. The Park District will answer all questions in writing, and will make available a copy of all questions and their answers. The Park District is entitled to issue written addenda changing this RFP at any time.

8. Representation. By submitting its proposal to the Park District, each contractor represents and warrants to the Park District that the information in its proposal is accurate and complete.

9. Confidentiality. Contractors are required to keep their proposals confidential and must not disclose their proposals, or information contained in them, to anyone else without the prior written consent of the Park District.

10. Proprietary Information. Although the Park District does not guarantee that information contained in any proposal will remain confidential, if contractor considers that any part of its proposal is proprietary, including by reason of its being copyright, the proposal must clearly identify those portions of it that are considered proprietary.

11. Waiver and Allocation of Risk. The Park District accepts no responsibility or liability for the accuracy or completeness of this RFP or of any recorded or oral information communicated or made available for inspection by the Park District, and no representation or warranty, either express or implied, is made or given by the Park District and/or the Park District with respect to the accuracy or completeness of any of those things. The sole risk, responsibility and liability connected with reliance by any contractor or any other person on this RFP or any other such information as is described in this paragraph is solely that of each contractor. Each contractor acknowledges and agrees that it is solely responsible for obtaining its own independent financial, legal, accounting, engineering and other advice with respect to the contents of this RFP or any such information as is described in this paragraph. Each contractor who submits a proposal to the Park District is deemed to have released the Park District from, and waived, any action, cause of action, claim, liability, demand, loss damage cost or expense, of every kind, in any way connected with or arising out of the contents of this RFP or any such information as is described in this paragraph. Each contractor who submits a proposal is deemed to have agreed that it is solely responsible and liable to ensure that it has obtained and considered all information necessary to enable it to understand the requirements of this RFP, and of the Project, and to prepare and submit its proposal.

12. Prevailing Wages. This contract calls for the construction of a “public work,” within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 *et seq.* (“the Act”). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the “prevailing rate of wages” (hourly cash wages plus fringe benefits) in the county where the work is performed. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor’s website at: <https://labor.illinois.gov/laws-rules/conmed/prevailing-wage-rates.html>. All contractors and Subcontractors rendering services under this contract must comply with all requirements of the Act, *including but not limited to*, all wage, notice and record keeping duties. Pursuant to PA 100-1177 and 820 ILCS 130/5.1, the Illinois Department of Labor is charged with developing and maintaining an online portal for prevailing wage construction contractors to file their certified payrolls with the department. Contractor, and each of its Subcontractors, shall comply with the IDOL’s instructions pursuant to Illinois Public Act 100-1177 and 820 ILCS 130/5.1 for submitting certified payroll as specified on IDOL’s website <https://labor.illinois.gov/laws-rules/conmed/certifiedtranscriptofpayroll.html>.

13. Submission Requirements. Proposals must contain the following separately marked sections:

- (a) An executive summary detailing your firm's understanding of the project and the firm’s interest in the project.
- (b) Information regarding your firm's history and qualifications. This section shall include a description of similar projects completed by your firm.
- (c) Names and phone numbers of references for at least three similar projects. The proposal shall list the names of at least three other clients (preferably park district clients) for whom the contractor has recently worked, including the names of individuals willing to discuss the results of the projects. References for those projects by name and telephone number shall be included.
- (d) This section should indicate the appropriate personnel available within the contractor's firm for work on this project that are expected to be assigned. List any and all subcontractors to perform work.
- (f) The location of the office from where the work will be performed.
- (g) A detailed proposal cost for all tasks listed in Scope of Work (see Appendix A). Include unit costs as requested. The cost breakdown requested above should be all-inclusive: all insurance, overhead, profit, and any other cost must be included. In the event any expense item in the scope of work significantly

affects the price, the cost of that item should be described separately. Additionally, unit price proposals requested will be evaluated as a factor in the Park District's decision regarding award.

- (h) A completed 'Proposal Form' included as Appendix B referencing the items listed in Appendix A under Schedule of Values.
- (h) Contractor's firm will purchase and maintain, and shall require each subcontractor to provide and maintain, at its own cost and expense, insurance with companies, and in forms acceptable to the Park District to protect the contractor's firm, the firm's subcontractors, and the Park District, from and against any and all claims, liabilities and damages which may arise under the contract, including without limitation, any and all claims, liabilities and damages for bodily injury, for accidental death and for property damage caused by the acts or omissions of the contractor, its agents, officers, employees, contractors, subcontractors, representatives, servants, and invitees, and their respective heirs, administrators, successors and assigns.
- (i) A timeline for the work included in this project:
 - Lead Time for any required products
 - Field Work Timeline

Appendix A

January 22, 2024**To Whom It May Concern:**

The Woodridge Park District is seeking proposals concerning natural area tree removals at Hawthorne Hill Woods in Woodridge, IL. A site map of the property location is included at the end of Appendix A. Proposals for this work are due before noon, 12 P.M. on Tuesday, February 6, 2024. Approval for the project is scheduled to take place at the Woodridge Park District Board meeting on February 20, 2024.

Please note that this will be a prevailing wage project.

Scope of Work:

Remove and dispose of 10 marked standing trees and one marked fallen tree at Hawthorne Hill Woods. Trees have been marked with an "X" in blue paint. Please note that there may be other trees marked with dots in the area, but these will be removed by District staff. The trees are located in natural areas, therefore stump grinding services are not needed. The trees are located in the woods along a proposed future path. All logs and debris must be removed from the site. Sizes are approximate and should be verified in the field.
