WAVES OF DUPAGE COLORING CONTEST

Help us celebrate the unveiling of the Lake Harriet mural at Village Hall—a special part of the Waves of DuPage Public Art Project in partnership with College of DuPage. We're inviting artists of all ages to bring Lake Harriet to life with color! Download or pick up a printed copy of a coloring page featuring a beautiful scene of Lake Harriet and share your creative vision of this beloved local gem. Let your imagination shine with crayons, markers, pencils or paint. Let's make waves together—one colorful creation at a time!

Winners will be announced at the Waves of DuPage Ribbon Cutting on Wednesday, May 21 at 5 pm at Village Hall and receive a special prize. All submissions will be displayed on the lower level of the Fred C. Community Center starting May 23.
