DROP-OUT AGREEMENT

The Woodridge Park District requires a **minimum of two weeks notice** when you take your child out of the Totschool program. This two-week notice is needed so we can go to our waiting list and give the replacement time to complete all the necessary forms. You must also notify your Totschool teacher, when you decide to remove your child from the program.

If you do not comply with the two-week notification policy, you will be required to pay for the time the spot is vacant. This must be done to insure a balanced budget in the program. We ask you to sign the form stating that you have been informed of the two- week notification for dropping the child from the Totschool class. By your signature you accept the responsibility of making payment if you do not comply with this rule.
